Faculty Feedback 2021 - 2022

Subjects thought in current semester	Do you think the subject prescribed is satisfactory for professional learning? Reason if any	What are the draw backs you see in the present syllabus?	What are the changes you suggest in clinical legal education?
Administrative Law, Civil Procedure Code	No	Not well designed to meet all the practical needs of the students after thier studies	Students must get more attention towards practical education in all the semester.
political science	No	very vast. some are not suited to law	nil
Law of Evidence , Drafting of Pleadings and Conveyancing	Yes	Addition of Rules Of Court will be beneficial to students even they begin practice	More court visits and chamber visits. Participation in legal service through DLSA
IPC AND PROFESSIONAL ETHICS	Yes	Nil	More practical exercises
Law of Torts Contract II	Can be improved	Inclusion of some obsolete and repeled content. Not updated.	Compulsory legal aid camps. Teachers to be allowed to take up probono matters in court to have a better practical exposure and experience

What changes are required in the teaching pedagogy ?	Are you involved in academic bodies of the University?	Your Opinions and Suggestions
Nil	No	Nil
nil	Yes	nil
The present system is working fine.	No	The present situation is working reasonably well considering that students from different backgrounds take up the study of law. Colleges imparting legal education have to provide better technological facilities to students so that their learning becomes more student friendly.
Discussion must be encouraged	No	Nil
Subjects should not be changed often to let the teachers obtain expertise in a given subject. Interest of teacher to be considered while allotment of subject. If the teacher is interested in the area the results will be effective.	No	Autonomy of a teacher should never be taken away.
